## PROVA ORALE

### Traccia 1

1. Quali sono le funzioni dell'UEPE
2. Il lavoro di Comunità
3. Days of the week:

There are seven days of the week, or uniquely named 24-hour periods designed to provide scheduling context and make time more easily measurable. Each of these days is identifiable by specific plans, moods, and tones.

### Traccia 2

1. L'UMVD: funzioni e compiti
2. La visita domiciliare
3. Days of the week:

Monday is viewed by many to be the "worst" day of the week, as it marks the return to work following the weekend, when most full-time employees are given two days off. Most students attend school in the morning and return home in the afternoon (usually from about eight until three or seven until two), and most workers go to work in the morning and return home in the evening (usually from nine to five or eight to four).

### **Traccia 3**

1. Le autorità giudiziarie minorili: competenze
2. Il progetto di aiuto con la persona
3. Days of the week:

Tuesday is the second day of the week, and is in many ways similar to Monday. Not a whole lot of changes, schedule-wise, between Tuesday and Monday; most individuals go to school or work and return home to watch television, play video games, make plans with friends, spend time with family, read, or engage in a similar leisure-related activity.

### **Traccia 4**

1. Le differenze tra istituto dell'adozione e istituto dell'affidamento familiare
2. Il Codice deontologico e la responsabilità dell'Assistente Sociale nei confronti della persona
3. Days of the week:

Wednesday is the third day of the week, and serves as the "middle" of the work week; some individuals refer to Wednesday as "hump day," as once its workday is complete, employees will have passed the work-week "hump," and will be on the downturn, as only two days on the job will remain in the week.

### **Traccia 5**

1. L'UVG: funzioni e compiti
2. Lavoro di rete, in rete e con le reti
3. Days of the week:

Thursday is the fourth day of the week, and is viewed favorably by many, as it's rather close to the end of the work week.

Friday is the fifth day of the week, and marks the end of the workweek and school-week for the vast majority of employees and students. By Friday afternoon/evening, most students/workers cannot wait to leave and go home, as they won't have to report back to school/work until Monday.

## **Traccia 6**

1. La segnalazione e la presa in carico dei casi di abuso e maltrattamento ai danni di minori
2. I gruppi di auto mutuo aiuto
3. Days of the week:

Saturday is perhaps the most highly regarded day of the week. Because Sunday follows it (and there is presumably no work or school to attend, for most individuals), everyone is free to stay out (or awake) until late at night, having fun with plans or other leisure-related activities. To be sure, Saturday is generally thought of as a day to partake in hobbies that couldn't otherwise be enjoyed during the regular week.

## **Traccia 7**

1. Invalidità civile, indennità di accompagnamento e indennità di frequenza
2. La valutazione multidimensionale dell'ambito di lavoro con le persone anziane.
3. Days of the week:

Sunday is the final day of the week, and is used by most as a day of rest. Fewer late-night plans are made on Sundays, compared to Saturdays, as most individuals have to wake up for work or school on Monday morning.

## **Traccia 8**

1. Art. 433 del c.c. e persone obbligate a prestare gli alimenti.
2. Gli strumenti del servizio sociale professionale
3. Christmas:

A Christian holiday signifying the birth of Jesus, Christmas is widely celebrated and enjoyed across the United States and the world. The holiday always falls on 25 December (regardless of the day of the week), and is typically accompanied by decorations, presents, and special meals.

## **Traccia 9**

1. Il ricorso per l'istituzione dell'Amministrazione di Sostegno ai sensi della legge 6/2004
2. L'Assistente Sociale nell'équipe multi professionale
3. Christmas:

Specifically, the legend behind Christmas (and the one that most children are told) is that Santa Claus, a bearded, hefty, jolly, and red-jacket-wearing old man who lives in the North Pole, spends the year crafting presents with his elves, or small, festive, excited Santa-assistants. All the children who behave throughout the year are admitted to the Good List, and will presumably receive their desired gifts on Christmas, while those who don't behave are placed on the Naughty List, and will presumably (although the matter is determined by parents) receive a lump of coal.

## **Traccia 10**

1. Il minore autore di reato e la messa alla prova
2. Il principio dell'autodeterminazione della persona nell'operatività dell'Assistente Sociale
3. Christmas:

Santa Claus is said to fly around the Christmas sky in a sled powered by his magical reindeer, or cold-resistant, mythically powered, individually named animals, delivering presents to each child's house in the process. Santa is also expected to slide through chimneys to deliver these presents (homes not equipped with chimneys might "leave the front door cracked open"), and children sometimes arrange cookies or other treats on a plate for him to enjoy.

## **Traccia 11**

1. Riferimenti normativi e funzioni dei Centri per le famiglie
2. Competenze specifiche dell'Assistente Sociale nel colloquio professionale
3. Christmas:

Gifts are placed underneath a Christmas tree, or a pine tree that's decorated with ornaments and/or lights and is symbolic of the holiday. Additionally, smaller gifts may be placed inside a stocking, or a sock-shaped, holiday-specific piece of fabric that's generally hung on the mantle of a fireplace (homes without fireplaces might use the wall). A Christmas tree's ornaments, or hanging, typically spherical decorations, in addition to the mentioned lights, may be accompanied by a star, or a representation of the Star of Jerusalem that the Three Apostles followed while bringing Baby Jesus gifts and honoring him, in the Bible.

## **Traccia 12**

1. Cosa si intende e come si tutelano in Italia i minori stranieri non accompagnati
2. La documentazione nel lavoro sociale
3. The four seasons

The four seasons are spring, summer, fall, and winter, and although various areas of the United States experience drastically different weather during these times, all portions of the country recognize the seasons; winter in California may bring heat, and winter in New York may bring blizzards, but both periods are nevertheless winter.

### **Traccia 13**

1. Finalità ed ambiti di applicazione della legge 104/92
2. Servizio Sociale e segreto professionale
3. The four seasons

Following winter, spring begins on 20 March and ends on either 20 June or 21 June, in the United States (this date may vary slightly from year to year and hemisphere to hemisphere). For most, spring is a time of "thawing," when the cold and snow of the winter are replaced by sunshine, reasonable temperatures, green grass, and more. It is also the season wherein previously dormant bees and butterflies reemerge, and when birds become more active.

### **Traccia 14**

1. Definizione di PASS ai sensi della DGR del 6 luglio 2018 n. 26-7181
2. L'autonomia tecnico operativa dell'Assistente Sociale
3. The four seasons

Summer follows spring and spans from about 21 June to 22 September, in America. Summer is the warmest, the longest, and (arguably) the liveliest of the four seasons; students from kindergarten to college are given two or so summer months off from class, and to be sure, there are more young individuals out and about during this season than any other. It's not uncommon to see shorts, t-shirts, and sunglasses worn by those who're soaking up the summer's hot sun, and to stay cool, many individuals crank the air conditioning, take a dip in a swimming pool, and/or explore the ever-comforting ocean waves.

## **Traccia 15**

1. Il processo amministrativo messo in atto per l'erogazione di interventi di assistenza economica
2. L'Assistente Sociale e il lavoro con il territorio
3. The four seasons

Autumn (or fall), more than being a simple precursor to winter, is one of the most beautiful and exciting seasons. Spanning from 22 September to 21 December (technically, that is; snow will begin to fall long before this latter date, in most parts of the country, leading many to classify the period as winter) in the US, autumn is characterized by falling leaves, Halloween (on 31 October), and Thanksgiving. During fall, traditional farmers harvest their produce, and the aforementioned falling leaves change to gorgeous orange, red, and yellow colors; these colors are generally associated with autumn itself, in turn.

## **Traccia 16**

1. Analogie e differenze in merito a tutela, curatela e amministrazione di sostegno
2. L'azione dell'Assistente Sociale nello sviluppo delle politiche sociali
3. The four seasons

In the US, winter spans from 21 December to 20 March, and is, as one would expect, the coldest of the four seasons. In the eastern, northern, and central portions of the country, winter snowfall can be considerable; in the western and southern portions of the country, winter snowfall is highly unlikely, but temperatures nevertheless drop from their usual. Winter is most widely known for its snow and the Christmas holiday, but it also boasts New Year's Eve (on December 31, in recognition of the start of a new year) and other special days. Ice skating, sledding, ice hockey, and snowball fights are commonly enjoyed winter activities.

## **Traccia 17**

1. Tipologie di affidamenti familiari per minori
2. Il concetto di trifocalità
3. Thanksgiving:

Thanksgiving is a holiday celebrated predominantly in North America, and it possesses a different meaning in each of the countries where it's acknowledged.

In the United States, Thanksgiving is a federal holiday (meaning all government employees and most private employees are given a day off of work), and always takes place on the Fourth Thursday in November, regardless of the date.

## **Traccia 18**

1. Cos'è e quali funzioni ha l'UMVDM
2. La relazione di aiuto nell'ambito del Servizio Sociale
3. Thanksgiving:

The holiday signifies the immense progress made by pilgrims, or some of the first travelers to North America, at Plymouth Plantation circa 1621. It was at this time that the hungry and weary Pilgrims were taught (by Native Americans) how to grow and produce food on North America's unique terrain. Once they'd grown (and caught) an abundance of food, the Pilgrims were expectedly thankful, and they celebrated alongside the Native Americans who provided them with such valuable assistance. President Abraham Lincoln initiated the contemporary practice of Thanksgiving by calling for a "day of Thanksgiving" during one of his Civil War addresses.

1. Legge 194/78 “Tutela sociale della maternità e l’interruzione volontaria della gravidanza”: riferimenti in merito alla gravidanza di donne minorenni
2. Riflessività nel lavoro dell’Assistente Sociale
3. Thanksgiving:

In America today, Thanksgiving remains firmly engrained in its historical roots, and is widely considered to be a day for giving thanks for good food, good times, and family. Thanksgiving dinner generally consists of turkey, mashed potatoes, stuffing, vegetables, gravy, and ample desserts. To be sure, indulging in abundance is a cornerstone of the holiday, as doing so could only be possible if one possesses abundance.

1. Quali sono in base alla vigente normativa i principali interventi attivabili per favorire la domiciliarità delle persone non autosufficienti
2. La funzione di controllo e sostegno dell’operato dell’Assistente Sociale
3. Halloween:

Halloween (also referred to as All Hollows' Eve) is a holiday that's celebrated in America on 31 October of each year, regardless of what day of the week this date falls on. Although it is rooted in religion, Halloween today is enjoyed mainly because of its decorations, costumes, candy, treats, and general excitement, and furthermore, it is enjoyed by most everyone.

Before Halloween, many individuals carve a design into an orange-colored pumpkin, or a solid, durable vegetable. Once a personally satisfying design is carved, a lit candle is typically put inside a pumpkin, thereby making it a Jack-O-Lantern. At night, this design lights up against the darkness.

## **Traccia 21**

1. Implicanze operative per l'assistente sociale nella fase di attuazione dell'art. 403 c.c.

3. Halloween:

Besides carving pumpkins, some celebrate Halloween by putting decorations up. Supernatural (referring in this case to non-natural creatures that're typically based in fiction) figures, including vampires, ghosts, werewolves, zombies, and more, generally account for most of these decorations. Bugs, spiders, cobwebs, gravestones, and anything else that can be considered creepy (or unusual and possibly scary) can also be found on Halloween, in decoration form.

## **Traccia 22**

1. Valutazione della situazione economica: l'ISEE
2. Riservatezza e segreto professionale dell'Assistente Sociale
3. Halloween:

Only some adults celebrate Halloween, and they generally do so by attending parties. Inversely, the vast majority of children dress in costume (Halloween costumes can be based upon anything, from the mentioned supernatural creatures to the stars of today's films) and walk from door to door in search of candy—a practice known as trick or treat—on Halloween. After knocking on a door (houses that participate in Halloween usually leave a light on), one says, "Trick or Treat" and a piece (or pieces!) of candy is given to him or her.
